CertainTeed
SAINT-GOBAIN

Leadership Starts at the Top

When you're an innovator, people take notice. And when the first-of-its-kind becomes a top choice in the industry, the industry follows.

The Presidential Series is the original luxury shingle series created to replicate the appearance of hand-split cedar shakes in the form of premium roofing asphalt.

Presidential Shake® TL
Presidential Shake®

EXECUTIVE STYLE IN A TRUE ORIGINAL

The shade, texture and rustic sculpted edges of each Presidential Series shingle combines to create a sophisticated design that stands far above the rest.

THE LOOK OF WOOD, MINUS THE WORRY

Presidential Series shingles are less costly than cedar shakes, but the benefits don't end there. Unlike wood, these shingles will not rot, and offer the industry's highest fire resistance rating. Plus, with CertainTeed's StreakFighter® technology, your roof is protected from the unsightly streaking caused by airborne algae (where available).

PEACE OF MIND

CertainTeed's lifetime limited asphalt shingle warranty is an industry-best, covering ANY manufacturing defect, including aesthetic defects.

The WOW Effect

PRESIDENTIAL SHAKE® TL

Luxurious performance that defines an industry. It doesn't come along often, but when you see it, you know it.

- With three layers of material, Presidential Shake TL is the industry's thickest, toughest and heaviest shingle
- Sculpted tabs provide the unique, rustic beauty of hand-split cedar shake roofing
- A wealth of colors capable of achieving any design vision
- Select colors are rated by the Cool Roof Rating Council (CRRC) for cool roofs and can be used to comply with the 2016 California Title 24 Part 6 Cool Roof Requirements

Executive-Level Appeal

PRESIDENTIAL SHAKE®

The founding father of wood shake replicas, Presidential Shake established it all. The top tier performance of asphalt, the curb appeal of hand-split cedar shake roofing, and the unwavering quality of CertainTeed.

- An intricate shingle design that creates an architecturally beautiful roof
- A rich color palette to enhance and complement any home exterior
- Less expensive than real wood shake, and practically maintenance free
- Select colors are rated by the Cool Roof Rating Council (CRRC) for cool roofs and can be used to comply with the 2016 California Title 24 Part 6 Cool Roof Requirements

Integrity Roof System™

Integrity is built from the bottom up. Layer-on-layer, only CertainTeed provides the peace of mind that comes with the best components performing together for peak efficiency.

1. Waterproof Underlayment

Waterproofing shingle underlayment prevents leaks from wind-driven rain and ice dams

2. Water-Resistant Underlayment

High-performance underlayment provides a water-resistant layer over the roof deck and a secondary barrier against leaks

3. Starter Shingles

Perfect starts every time and designed to work in tandem with the roof shingles above

4. Roof Shingles

Choose the best, covered by the strongest warranty in the business

5. Hip & Ridge Caps

Perfect finish for hip and ridge lines, complementing all CertainTeed shingles

6. Roof Ventilation

Engineered for ideal roof ventilation especially when matched with CertainTeed Intake Vents

Add a Little Accent to Your Roof

CertainTeed offers Mountain Ridge, an accessory product used for capping hips and ridges. It is the perfect finishing touch for your roof, offering blended color and high-profile design. For the best performance, CertainTeed Presidential Starter is required to be used with these shingles.

Color Companion Products for Flat Roof Areas

With CertainTeed Flintlastic® SA, you can coordinate flat roof areas like carports, canopies and porches with your main roof. Flintlastic SA is a self-adhering low slope roofing product available in eight colors that complement some of the most popular CertainTeed shingles.
